Scope and limitations — read before use

IMPORTANT — SCOPE AND LIMITATIONS. This document is a template and guidance product. It is a starting point, not a finished assessment. Every premises is different, and only the premises licence holder and the DPS know their own site, staff and operation. This is a PHW Services competence-based Vocational Qualification (VQ): structured training with recorded knowledge questioning, a written test and signed assessment records. It is NOT a regulated qualification (NVQ/RQF) and is not issued by, or equivalent to, any awarding organisation. Where an equivalent regulated qualification exists (for example BIIAB's Ofqual-regulated Level 2/3 Awards), that is a different product requiring an approved centre — this VQ does not claim to be it, or to substitute for it. The legal duties under the

Licensing Act 2003 and all other relevant law remain with the premises licence holder and the DPS at all times and cannot be transferred to PHW Services or to any document. Seek competent legal advice where you are unsure.
